

NCIS Scholarship Announcement and Form

Amount: \$750/semester for four semesters* starting fall semester 2025

Funding: Provided by National Crop Insurance Services (NCIS).
NCIS is a 503(c) not-for-profit crop insurance trade association whose membership includes all of the private companies offering federal multiple peril crop insurance.

Qualifications:

- Continuing status as a full-time undergraduate student.
- Have completed your sophomore year in college and are considered a junior (four semesters to graduate).
- Have a declared major in an agricultural discipline.
- Minimum cumulative 3.0 GPA.
- U.S. Citizen.

Application:

To apply for this scholarship, please provide the following ASAP, but no later than May 30, 2025.

To apply for this scholarship please provide the following:

- Complete the attached personal information form.
- A transcript of all college classes (a copy is acceptable).
- A letter of recommendation from a faculty member in your major. (Include the letter with your other application material. The author does not need to send it directly themselves.)
- Four separate essays:
 1. Please write a brief biographical sketch about yourself. (300 word limit.)
 2. Please describe your educational, professional, and other goals. Describe how your major will help you achieve them. (Limit your response to 300 words.)
 3. Please list and/or describe your participation and leadership during the last three years in extracurricular activities, including athletics, performance groups, cultural and civic clubs, and community service. (300 word limit.)
 4. *Optional:* Please add additional information about your unique situation and any extenuating circumstances that will help in determining your level of need for scholarships, and/or you feel should be considered in evaluation of your academic record. (300 word limit.)

* Must meet the following requirements each semester for scholarship to continue:

- Minimum cumulative 3.0 GPA.
- Have an agricultural discipline major.
- Provide a statement from your department head that you meet the above requirements and continue as a full-time undergraduate student in good standing at the university.

Scholarship money may be used for tuition, fees, books, and other related expenses. Payment will be made directly to the university.
