About the Program

The Discovery internship is designed to expose freshman and sophomore level summer interns to various client service businesses at Deloitte. The program is designed to help grow your skills, empower your curiosity, and celebrate your versatility. We empower our interns' desire to expand, explore, and engage by providing cross business exposure, regular training, and continued learning.

Your internship experience will include personalized mentorship, professional training and continuous learning through Deloitte University.

Learning and networking

Beyond exposure to "real life" projects, the internship also delivers a variety of national and local learning and networking events.

Mentorship and professional development

Our mentors can guide you from internship to potential future employment, by providing resources and attention to help you to turn potential into prowess.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, or protected veteran status, or any other legally protected basis, in accordance with applicable law.
